**Digital Check Named Preferred Scanner Partner by UK's Checkprint Ltd.**

*- Checkprint to market scanners to West and Eastern Europe -*

**NORTHFIELD, Ill., March 2 , 2010** – [Digital Check](#), a provider of desktop check scanners and remote deposit capture technology to the financial industry, announced that Checkprint Limited, a member of the [TALL Group of Companies](#) and provider of secure document and payments solutions, has named the company as its preferred scanner provider. Digital Check has also appointed Checkprint as its Regional Partner for West and Eastern Europe.

Checkprint selected Digital Check as the preferred provider of check scanners due to its robust range of products, the scanners proven functionality, image quality and MICR, and cost-effectiveness. The entire Digital Check product line is available to Checkprint clients using the Checkprint Banking Assistant cash and check deposit management system.

“As the TALL Group increases its international presence, it was important that we align with a company with a strong international reach and a reputable product line,” said Martin Ruda, group managing director at TALL Group of Companies. “By partnering with Digital Check, we continue to provide clients with the best value and functionality by offering an enhanced range of check scanners.”

“Digital Check has developed a partnership with Checkprint due to the company’s extensive experience in international banking markets and superior technology,” said Alex Trombetta, managing director in the international sales division of Digital Check. “This partnership enables Digital Check to continue growing its international footprint.”
