

SmartSource® SmartJogger

The Secure Choice®

SmartJogger jogs checks quickly and efficiently. The compact design makes it an ideal companion for image capture devices on desks or table tops in teller environments.

KEY FEATURES & BENEFITS

- Jogging tray holds up to 150 checks
- Compact size
- On/Off Power Switch
- On switch for jogging (Jogger timer is 10 seconds)
- Automatic jogger turn off if checks are removed prior to 10 seconds

FAST & EFFICIENT

Digital Check's SmartJogger aligns the edges of up to 150 checks, enabling smooth, jam-free feeding through image capture devices. Using this jogger results in an increased MICR read rate and fewer exceptions, saving you time and money on reject re-keying.

COMPACT

This compact-size jogger is ideal for smaller banks, branches, community banks, and credit unions with a lower volume of checks. The SmartJogger is ideal for applications where counter space is limited.

Technical Specifications

Dimensions:

Width: 4.25 in.
Height: 10.25 in.
Depth: 7.75 in.
Weight: 5 lbs.

Power:

- The unit draws 80 watts (maximum) from a 100 to 240 VAC, 50/60 Hz outlet
- The jogger draws 2.0 amps (maximum) from the included 24 VDC power supply.
